# About us

---

Garant Boats & Yachts, established in 2004, is a specialized showroom for yachts, boats & their engines, water equipment and spare parts. A company is located in one of the biggest ports in the Baltic States and is a part of Garant Group international holding.

More than 15 years we have been being an authorized distributor of well-known and distinguished makers not only for Lithuania but also for the Baltic region.

In our salon, located in Klaipėda Castle Harbor, we serve water leisure enthusiasts, owners of commercial or pleasure boats and offer solutions for the professionals. Our extensive facilities of winter storage and service workshop let our customers experience an all-inclusive service. We also provide our mobile support maintenance & repair services not only in Lithuania but also in European ports.
