GARANT GROUP is founded following our passion for sea, love for people and a genuine desire to help.

Service is in our DNA. No matter who we're dealing with, no matter which solution, and no matter which division, we're determined to provide a level of service that will inspire maximum confidence among our customers. We have always been an extraordinary combination of business acumen and rule-makers and rule-breakers.

The strong spirit of independence, the desire for challenge and the great respect for our heritage encourages us every day. All of that is reflected in our company culture where trust, respect, dynamics, and flexibility shape the way we live and do business.

Exceeding expectations and adding value with an open heart and mind.

Annually:

955 ships serviced	5 294 CO2 cylinders hydrotested	338 ports visited
431 lifeboats inspected	35 459 fire extinguishers serviced	18 134 breathing apparatuses serviced
		250 ships under fleet agreement
